Are You Going to the World's Greatest Exposition?

Young Woman Dies at Live Martin

Miss Edith Swigrad, of Louis ville, Ky., died Wednesday morning. The best medical skill possible was given, but in spite of every aid Miss Swigard succumbed.

A telegram to her mother Mrs. Pool Potter, 622 S, State, Louisville, Ky., has been sent but up to this writing no information has been received from her.

Miss Edith Swigard and her sister, Miss Katherine, arrived in Okolona May 3rd and were guests at Hotel Martin and were traveling in the interest of the New York Associated Press, but for several days Miss Edith Swigard had been indisposed and nothing was thought of this in disposition, but her illness grew worse and Wednesday morning she succumbed to her illness.

Her sister is prostrated with grief and it was with great difficulty to bring her to th prave realization of her sister'

As soon as the facts became known to the citizens of Okolona hundreds of men and women in all walks of life, responded with that far reaching arm of Southern hospitality and every wish and want was tendered Miss Katherine Swigard, the bereaved sister.

The citizens of Okolona always alert to the opportunity in holding an outstretched arm to stran ers in our midst is charistic of our people.

The remains were shipped t Louisville, Ky., last night.

Okolona and her citizens extend their sympathy.

Resolutions of Respect

Whereas, it now becomes our painful duty to record the death of Dr. Thomas M. Beaty, who has always been a good friend t our club and who is the fathe of one of our members, Elliot Beaty: we feel that we shoul give a suitable expression of our feelings to our member an the bereaved family, therefore

Be it resolved, that we wi ever carry with us a kindly fee ing for his support of our clu and his interest taken in it in a many ways:

Be it also resolved, that we hereby express our deepes sympathy to our bereaved men ber and assure him that we feel his loss and trus that God, in His infinite kine ness, will watch over him an guide his footsteps in life the he, too, may be as his fathe was-a great and good man;

Be it further resolved, that copy of these resolutions be ser to our member, Emott Beaty, copy to the local newspaper an a copy spread on our minutes.

Half a Million For Missions. The report of the treasurer of the ex-scutive committee of foreign mirrious of the Southern Presbyterian church which has just been made to the general secre-tary, shows that the total receipts for tary, shows that the total receipts for the past year were \$42,900, of which \$28,-300 was for specials. This leaves \$31,000 received for the regular work, and which is the same as the receipts of the year before for the real receipts of the year before for the real receipts ended were \$13,000, against \$19,500 the year previous, the receipts from living donors were larger by over \$6,000 than in 1913. The total deficits are reported to be \$63,000.

Tespite the fact that there is a deficit and that there have been other conditions which have conspired to handian the work, the general secretary said the

the work, the general secretary said the committee felt that the year had been critaris teh best in the history of the committee, and that the work for the coming year would be taken up with hope and renewed zest.

Letters received in Berlin describe how German soldiers on the battlefield have sometimes cut up a New Testament into several sections, so that a number of men could be reading it at the same time.

The bishop of Oxford, who has spent some time as a hospital chaplain in France says: "Next to tobacco, the thing the British solder is most keen to have is Gospels, and when I asked. Which one?" in a large majority of cases the request was for St. Luke. Perhaps the malf unconsciously recognize it as the poor man's Gospel."

Recent investigation in regard to the number of a hoels in Shanghal rever's the fact that there are forty girls' all of which have developed since 1902.

In 1870 there, were only fifty fee You, anese in the United States. Now there
